**Trucking Transportation Terms and Conditions**

All transportation services performed by the Carrier are subject to the following terms and conditions, which shall govern and control in the absence of a written contract to the contrary. The Carrier agrees to transport goods with reasonable dispatch and due care in accordance with applicable laws and regulations.

Unless a higher declared value is stated by the Shipper on the face of the Bill of Lading and additional charges are paid thereon, the Carrier's maximum liability for loss, damage, or delay to any shipment shall be limited to the lesser of: (a) the actual value of the goods lost or damaged, or (b) \$2.00 per pound of the goods lost or damaged. In no event shall the Carrier be liable for consequential, incidental, special, or punitive damages, including but not limited to loss of profits, business interruption, or loss of market.

C.O.D. Shipments: When a shipment is tendered on a Collect-on-Delivery (C.O.D.) basis, the Carrier shall act as the Shipper's collection agent. The Carrier's liability for failure to collect or remit C.O.D. amounts shall not exceed the amount of the C.O.D. charge stated on the Bill of Lading. The Carrier shall remit C.O.D. funds to the Shipper within a reasonable time after collection, less any lawful charges. The Carrier shall not be liable for failure to effect collection where such failure is due to acts or omissions beyond its reasonable control.

Claims for loss, damage, or delay must be submitted in writing to the Carrier within thirty (30) days after delivery of the shipment, or in the case of non-delivery, within thirty (30) days after the scheduled delivery date. Failure to file a timely claim shall relieve the Carrier of all liability.

The Carrier shall not be liable for any loss, damage, or delay caused by acts of God, public enemies, acts or defaults of the Shipper, authority of law, strikes, riots, civil commotion, or the inherent nature or defect of the goods transported.

Tender of freight to the Carrier constitutes acceptance of these terms and conditions by the Shipper, which shall apply to all shipments unless otherwise superseded by a written agreement executed by both parties.
